Whether you are bidding online or in the Handbid App, here are some easy tips to help:

- **NOTIFICATIONS:** If you have downloaded the Handbid App and accepted push notifications, you will be notified by push notifications when you are outbid on an item. If you don't have the app you will receive text messages from Handbid.
- **DASHBOARD:** Monitor what you are currently winning and losing on the Dashboard screen in your app or online.

No smartphone? No problem.
